(2.19.2017)

Colossians 4: 2-6 "...Let your conversation be gracious and attractive(seasoned with salt), so that you will have the right response for everyone."

God calls our lives to be attractive (salty) to the point where people are questioning *why* we do what we do.

Matthew 5:13-16 "You are the salt of the earth, but what good is salt if it's lost its flavor?"

Has the church lost its FLAVOR?

Matthew 5-7:28 *The beatitudes, blessing those who mock you, not living for rules, not letting anger control you, not being lustful or looking for an excuse to divorce, keeping your promises, not getting revenge, loving your enemies, giving, prayer, fasting, forgiving, money*

Jesus teaches on so many things that are contrary to the way the people lived. He was teaching them what it meant to be SALT again. What it meant to have **flavor** that would attract the world.

Does this mean we are meant to be Evangelists or purposely evangelistic?

1 Peter 3:15 "... be ready to give an answer for the Hope that you have in you"

If our lives look like everyone else around us, what questions would anyone have? If there is nothing to question, then we never are prepared to give and answer. And if no one is asking why our life looks different, then we must regain our **flavor!!**
